Peg Geiger's genius directed this extravaganza; one not to be forgotten! Superb actors, choral music so exciting to listen to and dance scenes; lovely, lively and flirtatious. The cast seemed to be having so much fun, one wanted to get right up and be a part of it.

The last home game of the season was the setting for Parents' Night. It was a night of recognition for the players, cheerleaders and their parents. Corsages were presented to the mothers, pictures taken for later presentation and just prior to kickoff, each student and parents were introduced to the crowd bringing to a climax the celebration of Parents' Night.

The 1980 Clinton Girls' Varsity Basketball season was one of many ups and downs. Getting off to a late start because of millage problems and a new coach the Redskins found the early going rough. Near mid-season the girls ran off a string of three straight wins. The last part of the season was the same as the first.

Some bright spots were the play of Seniors Renee Peterson and Teri McKenzie and hard working Junior Lisa Moore. The improvement of Becky Eversole and Kathy Marion will help the Redskins next year.

Even though the season was not everything we wanted, there were still many bright spots. The improved play of Sophomores Bob Zimmerman and David Gibson promise good things to come. Junior Rick Peterson's play throughout the season also indicates better things to come. Senior Brian Dettling had a super season. For most of the season he led the county in scoring, finishing the season with a 25.6 average per game. Brian was voted to the first team All League (LCAA), All County (Adrian Telegram, WABJ and WLEN) and All Region (Ann Arbor News).

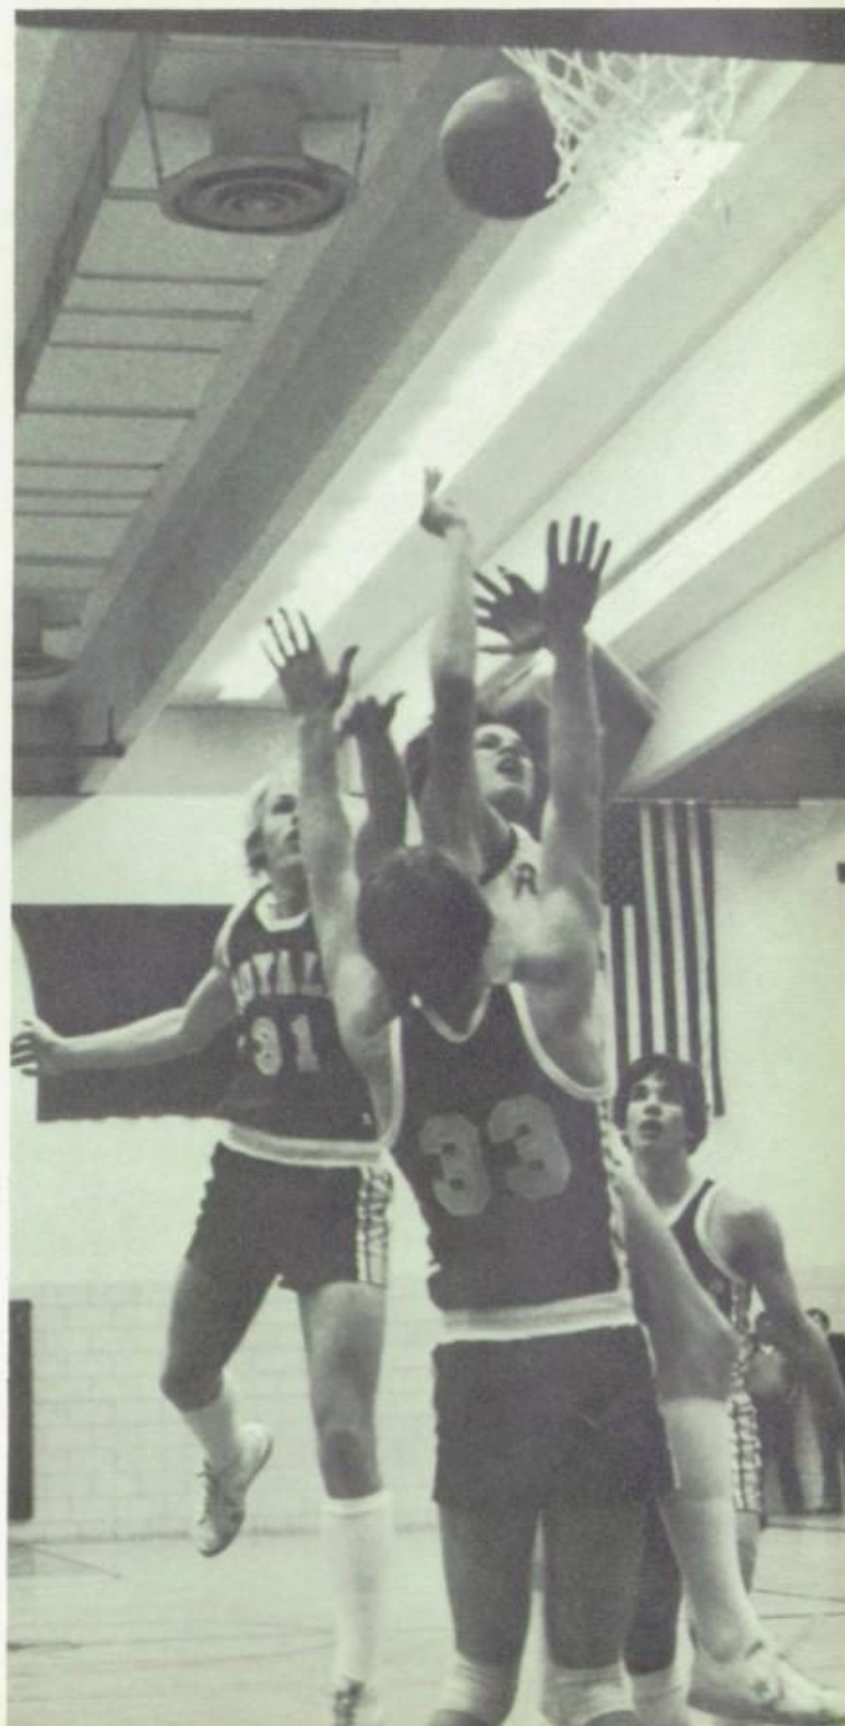

To all the Seniors, we're going to miss you. Good luck wherever you go and whatever you do. To the underclassmen—work now for the future.

YEARBOOK EDITOR

Deanne Stiman

Here's the Story!

The Yearbook Editor is chosen from the previous year's staff. An award is also given; a week at Mystic Lake Yearbook Camp. According to Sue Frolich, last year's advisor, several classes are held each day at the camp. Students take their turn working in the dining room, participating in recreational activities and taking in the scenery, if they're awake.

After the Editor and Staff decide on what they want to accomplish, it is the Editor's responsibility to arrange each page so that it coincides with the press company's format. This alone takes many hours to work out and must be done before the Staff can begin their duties.

Class Motto

Follow Your Dream

Follow your dream . . .

Take one step at a time

And don't settle for less

Just continue to climb.

Follow your dream . . .

If you stumble don't stop

And lose sight of your goal

Press on to the top.

For only on top can we see the whole view,

Can we see what we've done and what we can do

Can we then have the vision to seek something new . . .

Press on and follow your dream.

CLASS NIGHT

What a wild and crazy night! Gag gifts were given to each Senior. Class Wills were read, and by the looks on some of the underclassmen's faces, they were surprised. A couple of TV commercials were aired, their version though, which were super. The skit called Family Feud was loaded with stars. Teachers played by students, of course, kept

the audience in stitches. They had their own rock group to entertain everyone and Hakan Aspeborg sang a song he had written for the occasion. The key to the school was presented to the Class of '82 and finally the party's over with balloons coming out of the sky down on the unsuspecting Seniors on stage. A great evening!

Hakan comes from Flen, Sweden. His father is a forester, his mother a teacher and brother, Michael, was a Foreign Exchange Student three years ago here in the United States. He has a younger brother, Henrik.

Anne resides in Bochum, West Germany with her mother and father. Her father is a Civil Engineer with a construction firm.

Niels' hometown is Koege, Denmark. His brother, Lars, is 15 and his sister, Maibritt, is 9. Neils' father is a Foreman in an aluminum factory. His mother owns a restaurant and Niels has spent many hours helping in the kitchen. Niels has definitely chosen his career; a pilot.

Sari lives in Karhula, Finland. Her father is a Health Center Doctor. Sari has been involved with the publication of our yearbook. She has worked many hours on this activity.

These students have spent their Senior year with us. It has been an interesting experience to have them here participating in our classes and outside activities. We have enjoyed Hakan, Anne, Niels, and Sari. The best of luck and Bon Voyage!
